

Saint Stephen Catholic Men's Group

Prayer Before Meeting

Lord Jesus, as men of Saint Stephen Parish, we pray to you for insight, as we strive to deepen our spiritual life, and strength to accept God's will for our life's mission as men: single, husbands, fathers and grandfathers. We pray that you help us to think deeply about our partnership, with our wives, and mentoring role with our children and grandchildren; to grow in our trust in you, as we learn practical approaches, from the experience of other men; and to support and pray for one another, as brothers in Christ.

Prayer After Meeting

“Jesus, you are the light of the world. Fill me with such hope that I never doubt your power and presence, even in the darkness. Jesus, I trust in you.”
